Homework ^{5**}	IPHW	625	10	0	0	0	Requires 10+ user license of current Interactive Physics. Allows School to make an additional copy of SCB for each home license/CD purchased
Workbook Homework Bundle	IPHWWBK	1,050	10	0	0	10	Requires 10+ user license of current Interactive Physics.
Student Curriculum Black-line Master	IPSCB	245	0	0	0	1:10	Requires 10+ user license of current Interactive Physics
Student Curriculum Workbook ⁵	IPSCW	620	0	0	0	10	Requires current Interactive Physics License
IP Workbook College	IPSCHW	45	0	0	0	0	By Cindy Schwarz / John Ertel; Calculus-based physics
Extra Manual	IPUSR	65	0	1	0	0	Requires current Interactive Physics license
Developer	Call	3,125	1	1	0	0	For textbook publishers who bundle with 1000+ Textbook Editions
<p>Mac Users: Macintosh customers should try a demo before purchasing to ensure OS compatibility (e.g., Mac OS X Tiger may not install classic mode).</p> <p>Interactive Physics version 5.0 is the current version for the Macintosh and runs under classic mode in Mac OS X, not under native Mac OS X.</p> <p>To run Interactive Physics under classic mode on Mac OS X Jaguar or later, it is necessary to log on as an administrator.</p> <p>*TEW = Teacher Edition Workbook – part of a full purchase or upgrade product (not sold separately)</p> <p>**SCB = Student Curriculum Black-line Master: one black line master is shipped with the right to reproduce copies for the exact number of licenses purchased</p> <p>*** Single users and Homework users need to provide a machine ID to obtain a node-locked machine-specific installation serial number (not required for Network Licenses).</p> <p>1 <u>A school's purchase order and/or purchasing information can be faxed to EnDuraSim on +61 2 9475 4442.</u></p> <p>2 Payments can be made by 'Direct Credit' to EnDuraSim account, or by Cheque.</p> <p>3 For Australia, 10 percent GST needs to be added to the total value of order. New Zealand orders do not attract GST.</p> <p>4 EnDuraSim endeavors to ship all orders within 48 hours.</p> <p>5 Homework/Student Editions do not include manuals or technical support and are only for student use on student-owned computers (not for school computers). Homework/Student Edition licenses are valid for one year and are limited to 50 bodies, 15 constraints, and 15 output meters.</p> <p>6 Technical support is provided for the first four months of new purchases.</p> <p>7 Multi-user licenses are networkable.</p> <p>8 Prices and terms are subject to change without notice.</p>
